

## Overview

The **National Health Mission (NHM)** was launched by the Government of India in **2013**, subsuming the National Rural Health Mission (NRHM, launched 2005) and the National Urban Health Mission (NUHM). It is India's flagship health programme that envisages **universal access to equitable, affordable, and quality healthcare**.

NHM supports States and Union Territories in strengthening their healthcare systems to provide accountable and responsive health services.

## Sub-Missions

### 1. National Rural Health Mission (NRHM)

- Focuses on rural healthcare infrastructure
- Strengthens Sub-Centres, Primary Health Centres (PHCs), and Community Health Centres (CHCs)
- Deploys ASHA workers in every village
- Provides untied funds to village health committees

### 2. National Urban Health Mission (NUHM)

- Focuses on urban poor, slum dwellers, and vulnerable populations
- Strengthens urban primary health facilities
- Targets urban areas with population above 50,000

## Key Programmatic Components

### Reproductive, Maternal, Neonatal, Child and Adolescent Health (RM-NCH+A)

- Janani Suraksha Yojana (JSY)
- Janani Shishu Suraksha Karyakram (JSSK)
- Pradhan Mantri Matru Vandana Yojana (PMMVY)
- Pradhan Mantri Surakshit Matritva Abhiyan (PMSMA)
- Rashtriya Bal Swasthya Karyakram (RBSK)
- Mission Indradhanush (Immunization)

### Health System Strengthening

- **Ayushman Arogya Mandirs (AAMs):** 1,77,906 operationalized as of June 2025 (formerly AB-HWCs)
  - Provide 12 service packages of comprehensive primary healthcare
  - Services include preventive, promotive, curative, palliative, and rehabilitative care
  - Free and universal
- **Free Drugs Service Initiative:** Essential medicines free at government facilities
- **Free Diagnostics Service Initiative:** Essential diagnostics free at government facilities
- **Ambulance Services:** 108/102 emergency and patient transport services
- **Jan Aushadhi Kendras:** Generic medicines at affordable prices

## **Communicable Disease Control**

- National Tuberculosis Elimination Programme (NTEP)
- National Vector Borne Disease Control Programme (NVBDCP)
- Integrated Disease Surveillance Programme (IDSP)
- National Leprosy Eradication Programme (NLEP)

## **Non-Communicable Diseases (NCD)**

- National Programme for Prevention and Control of Cancer, Diabetes, Cardiovascular Diseases and Stroke (NPCDCS)
- National Mental Health Programme (NMHP)
- National Programme for Control of Blindness and Visual Impairment (NPCBVI)

## **Infrastructure Development**

- **Pradhan Mantri Ayushman Bharat Health Infrastructure Mission (PM-ABHIM):**
  - Outlay of 64,180 crore (2021–2026)
  - Developing Ayushman Arogya Mandirs, Block Public Health Units (BPHUs), Integrated Public Health Labs (IPHLs), and Critical Care Blocks (CCBs)

## **Eligibility**

### **Who Can Benefit**

- **All citizens of India**
- **No income limit**
- **No age restriction**
- **No category restriction**
- Services are free at government health facilities

## **Key Facilities Under NHM**

### **Sub-Centre (SC)**

- Population covered: 3,000–5,000 (rural)
- Staff: ANM (Auxiliary Nurse Midwife)
- Services: Immunization, antenatal care, family planning, basic medicines
- Untied fund: 10,000 per annum for local health action

### **Primary Health Centre (PHC)**

- Population covered: 20,000–30,000 (rural)
- Staff: Medical Officer, ANMs, Pharmacist, Lab Technician
- Services: Outpatient care, minor surgeries, 24/7 delivery services (in 50% PHCs)
- Referral unit for Sub-Centres

### **Community Health Centre (CHC)**

- Population covered: 80,000–120,000

- Staff: Specialists (Surgeon, Physician, Gynaecologist, Paediatrician), Anaesthetist
- Services: 24/7 emergency care, surgeries, specialist consultations
- 30–50 bedded facility
- First Referral Unit for PHCs

## District Hospital (DH)

- Comprehensive secondary and tertiary care
- Specialist services, advanced diagnostics, emergency care
- Linked with DEICs for RBSK referral

## Documents Required

No specific documents required to access NHM services at government facilities. However:

1. **Aadhaar Card** (recommended for identity and health record linking)
2. **Ayushman Bharat Health Account (ABHA)** (for digital health records)
3. **Ration Card** (for certain targeted schemes)

## How to Avail

1. **Visit Nearest Government Health Facility:**
  - Sub-Centre for basic services and ANC
  - PHC for outpatient care and delivery
  - CHC for specialist care and emergencies
  - District Hospital for advanced care
2. **Contact ASHA Worker:** Your village ASHA can guide you to the right facility
3. **Call Ambulance:** Dial **108** for emergency, **102** for patient transport
4. **Ayushman Arogya Mandir:** Visit for comprehensive primary healthcare services
5. **Jan Aushadhi Kendra:** For affordable generic medicines

## Important Notes

- All services at government health facilities under NHM are **free or highly subsidized**
- ASHA workers are the first point of contact in villages — they provide health education and facilitate access
- Rogi Kalyan Samitis (Patient Welfare Committees) manage hospital affairs at district and sub-district levels
- Village Health and Sanitation Committees plan local health action
- NHM integrates AYUSH (Ayurveda, Yoga, Unani, Siddha, Homoeopathy) services at PHCs and CHCs
- For complaints about service quality, contact the District Health Society or State NHM helpline
