

Overview

Pradhan Mantri Matru Vandana Yojana (PMMVY) is a maternity benefit programme that provides **cash incentives** to pregnant women and lactating mothers for the first two live births. The scheme aims to compensate for wage loss during pregnancy and childbirth, ensuring women can access proper rest, nutrition, and healthcare.

PMMVY 2.0 now provides:

- **5,000** for the **first child** (in two installments)
- **6,000** for the **second child** (only if the child is a girl) — one installment
